Goal Area	GAS Score	What Influenced Our Accomplishments?	What were Barriers to our Work?
Goal Area 1: Increasing Knowledge About ASD and EBPs in our Community	-2	Cadre liason left the group	didn't have a centralized location
<i>Goal Area 2: Increase implementation and fidelity of use of the identified EBPs by providers and implementers</i>	-1	South East Consortium used Implementation checklist	Most hadn't provided Overview Trainings
<i>Goal Area 3: Improve and increase collaboration between the various agencies serving and supporting individuals with ASD</i>	-1	Cadre liason from Regional Center left the group	Google Drive for Region was not created

Brainstorm on New Projects and Collaborations

How can our organizations work together on training for staff and families (e.g. regional EBP conference, cross training for new staff, training for CACs or boards, developing/establishing demonstration sites within our region, planning a make and take for families or new teachers, creating a regional CAPTAIN brochure, social media sites, conducting a collaborative parent training)?

South East Consortium, who has established a structure for providing trainings and coaching, will provide coaching to other SELPAs/Districts in CAPTAIN 007 regional planning group

How can our organizations work together to provide training and updates to each other on relevant policy and practice changes that impact services to those with ASD (quarterly meetings, listserve/newsletter, hot topics presentation at quarterly mtg)?

Sharing resources/trainings on Google Drive

How can our Regional CAPTAIN Chapter connect with other agencies in our area that need to become a part of this network (e.g. Higher Ed., Vendors/Providers, Local Support and Advocacy Groups)?

Share training calendar via Google Drive

What project, conference or product could our regional team develop (EBP conference, brochure, table at Autism Walk, CAPTAIN Newsletter, etc)?
