

### **Regional Planning Session**

*The goals of CAPTAIN are to establish trainer of trainers at the local level on ASD and a common set of accepted Evidence Based Practices (EBPs), to connect providers from various agencies in hopes of establishing/strengthening local networks and facilitating cross agency communication and training. There are three main outcomes we are hoping local teams can influence through your collaborative work:*

- 1. Increase knowledge about ASD and EBPs within your communities*
- 2. Increase implementation and fidelity of use of the identified EBPs by providers and implementers*
- 3. Improve and increase collaboration between the various agencies serving and supporting individuals with ASD within your communities (e.g. schools, regional centers, FRCs, vendors/nonpublic providers, mental health providers, etc....)*

In order to work toward these outcomes, we have set the following objectives/requirements for the CADRE members:

#### **Requirement of SELPA Nominated Cadre Members:**

- Provide at least 1 basic training on autism in your SELPA annually
- Provide at least 3 trainings on specific EBP's in your SELPA annually (EBPs to be determined based on local needs assessment)
- Provide implementation coaching for 3 teachers/programs within your SELPA/School District or Local Education Agency and collect pre and post measures on students and teacher knowledge and implementation of EBPs

#### **Requirements of Regional Center Nominated Cadre Members**

- Provide three overview trainings per year on EBPs for Service Coordinators and Regional Center staff
- Provide one overview training of EBPs to vendors each year

#### **Requirements of FRC/FEC/UCEDD Nominated Cadre Members**

- Inform your agencies staff of CAPTAIN EBP Resources
- Partner with and support local SELPAs and Regional Centers in providing trainings on EBPs

Collaboration can be the best way to accomplish these outcomes and fulfill the requirements. It can also result in better and more efficient use of training resources. During this time, we want you to think about, share and discuss ways your regional CAPTAIN chapter can work together to accomplish the goals and meet your cadre member requirements.

## **Brainstorm on Collaboration**

*What trainings/activities are already taking place that may meet the requirements for CAPTAIN cadre?*

Santa Cruz COE ~ ASD training for the SELPA and additional reinforcement, Antecedent intervention, PRT, video modeling

Santa Clara OE ~ structured teaching (4 trainings) open to county and district personnel

First 5 partners ~ Parents Helping Parents

Monterey COE ~ worked with Special Kids Crusade

COE, SELPA, San Andreas Regional Center - annual conference

showcase ~ SanJose State interns received trainings re: EBPs

inclusion walkthroughs and SpEd classroom walkthroughs

*How can our organizations work together on training for staff and families?*

Share resources and dates for upcoming trainings

*How can our organizations work together to provide training and updates to each other on relevant policy and practice changes that impact services to those with ASD?*

develop a shared Dropbox or Google Docs

*How can our Regional CAPTAIN Chapter connect with other agencies in our area that need to become a part of this network (e.g. Higher Ed., Vendors/Providers, Local Support and Advocacy Groups)?*

*What project, conference or product could our regional team develop?*
