Goal Planning for 2020-2021

Goal Area 1: Increasing knowledge about ASD & EBPs in our community

<i>Current Level of Performance Data (0)</i>	Presentations already are happening for various stakeholders in LAUSD, however as the CAPTAIN LA there is not a consistent communication/collaboration prior to these presentations.
<i>Initial Objective (1)</i>	Bring communication and collaboration so that all CAPTAIN LA cadre members are aware of what is going on through a shared platform like Google Create shared platform for sharing information about what is happening in LA.
<i>Secondary Objective (2)</i>	At least one presentation is added to the shared platform per quarter. (Sharing about EBPs with local district staff (invite LD staff to drop-ins to hear about EBPs, invite LD staff to present about EBPs with us) (focus on sites with high# of students with autism))
<i>Expected level of Outcome (3)</i>	Two presentations added to the shared platform per quarter.
<i>Exceeds Expected Outcome (4)</i>	At least three presentations added to the platform per quarter.

Goal Area 2: Increasing implementation and fidelity of use of identified EBPs by providers and implementers

<i>Current Level of Performance Data (0)</i>	There is not a collaborative effort to ensure implementation and fidelity with identified EBPs.
<i>Initial Objective (1)</i>	CAPTAIN LA will have a meeting in the first quarter of 2021 to discuss how EBPs are being selected and how level of implementation and fidelity is being measured.
<i>Secondary Objective (2)</i>	Choose specific service providers who will participate in implementation and fidelity checks of an EBP they have selected.
<i>Expected level of Outcome (3)</i>	At least one implementer will reach documented fidelity with an EBP
<i>Exceeds Expected Outcome (4)</i>	More than one implementer will reach documented fidelity with an EBP

Goal Area 3: Improve and increase collaboration between the various agencies serving and supporting individuals with ASD

<i>Current Level of Performance Data (0)</i>	In previous years, CAPTAIN LA has had a difficult time collaborating amongst our own cadre. Although there is collaboration with local regional centers, there is little collaboration among additional agencies and no collaboration with a CAPTAIN focus currently.
<i>Initial Objective (1)</i>	Use digital platform for CAPTAIN LA to ensure school-based and family services are collaborating.
<i>Secondary Objective (2)</i>	Develop at least one CAPTAIN-focused presentation with collaboration from school based and family service agencies.
<i>Expected level of Outcome (3)</i>	Work with other agencies to develop one CAPTAIN- focused presentation
<i>Exceeds Expected Outcome (4)</i>	Work with other agencies to develop more than one CAPTAIN-focused presentation.
