

CAPTAIN Bridges Regional  
Plan  
2024-2025

**Goal Area 1 (Collaboration):** How can the cadre collaborate to address the region’s specific need, issue or challenge that relates to autistic individuals and their families

<p><i>Current Level of Performance Data (0)</i></p>	<p>CAPTAIN Bridges had previously put on a regional summit that had over 100 attendee’s with a focus on building capacity of SELPA and Regional Center Staff in the areas of Autism and Evidenced Based Practices.</p>
<p><i>Initial Objective (1)</i></p>	<p>CAPTAIN Bridges will host a regional in-person summit that will provide 2 types of learning tracks (e.g., an introductory track for building attendee’s around Autism, EBP selection as well as a more advanced track related to EBP implementation). The target audience will be for Regional Center Staff/Providers, School Based Staff, and Family Empowerment Groups.</p>
<p><i>Secondary Objective (2)</i></p>	<p>CAPTAIN Bridges cadre will have roles in Summit development, planning, and logistics to ensure a multidisciplinary and inclusive lens is undertaken when providing topics amd a summit for target audiences.</p>
<p><i>Expected level of Outcome (3)</i></p>	<p>A section where individuals can have access to files so that they can “make and take” templates to their respective communities and assist with EBP implementation.</p>
<p><i>Exceeds Expected Outcome (4)</i></p>	<p>Opportunities for continuing education units</p>

**Goal Area 2 (Dissemination):** How can members of our regional network strategically disseminate to groups identified by the region as needing to know about autism and EBPs/CAPTAIN

*Current Level of Performance Data (0)*

Pre-made trainings as well as pre-post knowledge quizzes are available for EBP's. There has been an identified need around create these materials for parents as well direct services providers.

*Initial Objective (1)*

Create a bank of premade pre/post knowledge satisfaction survey (that utilizes a likert rating scale) for a parent/care provider, and/or direct service provider lens to help assist with training.

*Secondary Objective (2)*

Coaching using these materials in a structured environment with the expected level that they are able to implement.

*Expected level of Outcome (3)*

Then matching samples of the concepts in the applied setting with the provider directly working with the individual.

*Exceeds Expected Outcome (4)*

Cadre will disseminate applicable EBP's that have been trained to first responders based on regional trainings.
